ABSTRACT

Introduction: text

Methods: text

Results: text

Conclusions: text

Keywords: text

1 HEADING 1

1.1 Heading 1.1

1.1.1 Heading 1.1.1

This is a test.

This is a longer test paragraph: Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum.

2 EXAMPLES

2.1 Citations

This is a normal citation (Wickham et al., 2019).

Wickham et al. (2019) wrote this and Nobody (2023) wrote this.

Multiple authors wrote this (Nobody, 2023, pp. 10–11; also Wickham et al., 2019).

2.2 LaTeX formula

$$Y_{it} = \mu_t + \alpha(Y_{i,t-1} - \mu_{t-1}) + \gamma PA_{i,t-1}^W + \varepsilon_{it}, \quad E(\varepsilon_{it} \mid Y_{i,t-1}) = 0.$$

2.3 Figure

The LaTeX logo can be seen in Figure 1.

2.4 Table

An example of a table can be seen in Table 1.

Figure 1: LaTeX logo

 The image shows the word "LATEX" in a large, black, serif font. The letters are bold and have a classic, elegant appearance. The 'L' and 'T' are particularly prominent due to their size and the way they are connected to the other letters.

Table 1: Cars and pressure from cars dataset

(a) Cars		(b) Pressure	
speed	dist	temperature	pressure
4	2	0	0.0002
4	10	20	0.0012
7	4	40	0.0060
7	22	60	0.0300
8	16	80	0.0900
9	10	100	0.2700

8.2 Declaration of Independence

I hereby declare

- that I am familiar with the Bern University of Applied Sciences' policy on dealing with plagiarism,
- that I have identified all sources, texts, graphics and/or ideas taken verbatim or paraphrased as such and cited them in accordance with the "Leitfaden für schriftliche Arbeiten im Departement Gesundheit",
- that I have written this paper independently and without using any sources or aids other than those indicated,
- that I have fully acknowledged all aids used,
- that I have not already submitted this paper or parts thereof in the same or a similar form to another educational institution,
- that I am aware that plagiarism constitutes serious academic misconduct and will be sanctioned accordingly,
- that I am aware that in the case of group work, the authors are jointly responsible for the entire content of the written paper.
